Meeting Description

This is an informational and educational meeting convened by residents and for residents for the purpose of providing residents with a forum in which to share information in advance of Town Meeting. While it is not a meeting for the commercial property owner/petitioner, the owner has been invited and has accepted the opportunity to make a brief presentation and make himself available for comments and questions from residents. The owner will also be making his own presentation to Town Meeting on March 21, 2018, to which the public is invited.
